

# LIVIN' Italy™

BAR • ITALIAN KITCHEN • DELI

We love food...  
it is our passion,  
our driving force,  
our way of life.

We are part of the food world as family heritage that stretches back through generations, where professional and family lives have evolved together.

We have standards that go beyond good business practice into stories that stretch back decades.

Whether it is using inherited recipes or sourcing specialty ingredients straight from the motherland, we hold on to the values that made us.
